We live in Oxenhope and love living here!

Hobbies

I love to find new walks to explore in the Dales.
As a family we like to go swimming.

Message to parents and children

I have recently started this position after being a full time mum to my 3 daughters. My eldest daughter attended Oxenhope primary and I love being in oxenhope as it is a close community. My past experience working in hospital and other care settings has made me compassionate and understanding.I have really enjoyed my time so far and I am excited for my future role in year 2.
