BELIEVE AND ACHIEVE

10th May 2010

Dear Parent/Guardian

I would like to invite you to a special evening at our school on Tuesday 25th May.

The purpose of the evening is to give you an opportunity to see for yourself how the school is moving forward as we prepare for the next academic year.

During the evening there will be a presentation from Mr Sam Adams, an educational consultant, who has been working with us since January. Sam will be focussing on the work we have carried out in mathematics.

In addition to this, Mrs Kathrine Nutting will be talking about literacy in our school and I will be demonstrating how our work in Investors in Pupils is having a positive impact on the learning of all our children. There will also be an opportunity for you to view our new netbook computers via our new wireless network.

I am now in a position to inform you of the class structure from September although I am unable to advise you of the name of the teachers at this present time. The structure for 2010 – 2011 will be as follows:

Reception Class

Year 1 Class

Year 2 Class

Year 3 Class

Year 4/5 Class

Year 5/6 Class

The mixed aged classes will be decided by date of birth.

As part of the evening we will be presenting details on how we will be implementing the new Primary Curriculum in our school. Our aim is to provide an exciting curriculum which ensures that every child makes good progress, also allowing them to collaborate for part of the week with children from other classes. This exciting work, to ensure an outstanding curriculum, is taking place at the moment. All staff are receiving additional high quality support from Education Bradford personnel to help with the implementation of this.
