Church of England Primary School

BELIEVE AND ACHIEVE

Dear parents and carers,

As you know it is World Book Day on Thursday and we are very excited in school. We are going to be having lots of reading activities in school on this day which both the children and staff are looking forward to some of the things taking place are:

- Children coming to school dressed as a book character and bringing their book to school
- Children donating £1 for Books International and for reading resources in school
- We are going to be doing a class reading swap where children will be buddied up with another child in school and they will read to one another
- We are having a book sale in school and after school. If you would like to donate books for the sale your child will earn a house point for every book brought into school.

We encourage reading at home and we know that one of the greatest ways to influence your child's reading ability is to read with them please take part in our home reading activities too:

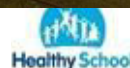

- Daily 10 minute reading challenge. We are asking that you read with or alongside your child for 10 minutes every day this week. Please fill in and sign the form attached to this letter and bring back to school on Friday. Your child will receive a prize if they complete the challenge.
- Extreme reading! please take a photograph of your child reading in a strange place or whilst doing a strange activity (some examples below). Our school council will choose the best picture and if your child wins they will receive a book token.
