Dear parents and carers,

I thought I would take this opportunity to share with you some information about the new images you will be seeing around school.

I'm sure you will have noticed our new signage which is in and around the school building.

We are really excited about the new design, and hope you will see how it links synonymously with Oxenhope.

We have chosen green, blue, grey and yellow as we feel that they represent the landscape of the village and surrounding moorland. Oxenhope village is in an extremely beautiful area and we wanted this reflected in the image. The shape of the design represents the rolling hills and large clouds which we see from our playground, and although we are losing some of our red colour I think the new design offers us a clean, fresh and modern look.

To allay any concerns about how we are spending school funds, we have been able to pay for the signs through winning a bid for some specific capital funding which has allowed us to develop our aesthetic look and maintain the school building with a fresh coat of paint and beautifully restored hall floor.

We are keeping our school logo and our motto 'Believe and Achieve' as these are a strong part of our school's identity.

We hope you're as pleased as we are with the changes we have made. We have already had some lovely comments from visitors, children and parents, thank you.

Mrs Jones
