Dear Parents/carers

We've really appreciated all the positive comments and feedback we've received from so many of you on the recent feedback questionnaires that we sent out. It would be extremely helpful if you could also click on the link below to provide feedback to Ofsted about how we are doing using their short online questionnaire called Parent View. You only need to provide your email address then activate your login and suggest a score for 12 important aspects of your child's school experience. It should only take a few minutes to do.

Your views are extremely important in helping us understand what is going well and what we could improve. The Parent View questionnaire also helps future inspectors take your views into account when making decisions and judgements about our school.

Thank you so much in anticipation of your support with this request
