

RECEPTION CLASS NEWSLETTER

Summer Term 2019

We hope you had a lovely Easter break.
We look forward to watching the children continue their journey in the last term of Reception and could not be any prouder of how far they have come so far.

Topic

This half term we are being completely led by the children's interests! We will be exploring fantasy, turning into superheroes, becoming pirates, chasing under the sea creatures, learning how to move like ballet dancers and ninjas and more! We love watching children lead and engage in their own learning so can not wait for what other adventures they take us on. Children are welcome to bring in any books, favourite items, and work completed at home that is of special

Communication, language and Literacy

We will be continuing teaching phonics using 'Ruth Miskin' this half term. It is great to see the children applying their phonic knowledge in their reading and writing and we will be encouraging this further, providing extended reading and writing opportunities in provision. Reading with your child at home will support their learning in school and if your child would like to share some writing they have completed at home or bring in a favourite story book to share, then they are most welcome to do so.

Personal, social and emotional development.

During reflection time we will be talking about love and compassion and in RE we will be thinking about what we can learn from stories, looking at stories from a variety of religions.

Maths

We will continue to develop problem solving skills using addition and subtraction as well as exploring time, measure and money. Saying, reading, writing and ordering numbers to 20 and beyond is something you can do at home to support your child.

Outdoor Play

Please continue to send in appropriate clothing for outdoors. We are continuing to develop our outdoor area and look forward to developing a planting and digging area outside this half term.

Thank-you for all your support and if you have any questions or concerns then please speak to a member of the team.
