

Kapoor Class Year 6

Welcome back and welcome to year 6, I hope you have had a wonderful break over the summer holidays. I'm looking forward to teaching your child this year and am excited to see the excellent work they will produce. If you have any queries or questions, please do not hesitate to catch me at the end of the day or make an appointment to see me at the office.

Homework

Homework will be given out in week 3. Mrs Jones will send you our new school policy for you to see the expectations. Pupils in year 6 are expected to complete their homework on time and will be given adequate time to do so. If you have any queries about homework please feel free to ask myself or leave a note in the office and I will get in touch with you.

Uniform and attendance

Please ensure your child is wearing correct school uniform each day please see our uniform policy for information. It has been nice to see in the first couple of days that all pupils are looking very smart with the correct uniform.

Year 6 is an important year in your child's education, so punctuality and attendance is vital, our school day begins at 8:50 and learning begins straight away.

Snack

As with each year, your child is permitted to bring a healthy snack for break times. This will help to keep your child energised and focused through-out the day. This snack could be a piece of fruit, vegetable sticks, cheese, yoghurt tube or a healthy snack/breakfast bar. Please remember that we are a nut free school, so anything containing nuts is not allowed. Children are allowed to bring their own water bottle, this needs to be filled in the morning and taken home at the end of the day.

PE

Year 6 will be having their weekly PE lesson on a Thursday and will require to bring their outdoor and indoor PE kit on this day every week. This half terms PE will be invasion games.

Friday

On a Friday, I shall be out of class all day with Miss Dawson taking the lessons. This is due to me having my PPA on this day.

Pencil cases

This year, pupils are allowed to bring pencil cases with them to school, along with their own equipment. These pencil cases are your child's responsibility and will need to fit in their draw. Any problems arising from pencil cases and equipment will result in me telling the pupils not to bring them in in future.

Trips

As you are aware, our year 6 residential to Elterwater is this half term. This is an exciting trip where the pupils will get a chance to take part in fantastic outdoor activities. If you have any questions about the trip please feel free to ask.

Year 6 is an important year in your child's education. We will be continuing to develop our knowledge across each subject. This half-term's topic is 'The Village' in which we will be exploring our own local area around Oxenhope. This will help us to take pride in our village along with developing our understanding of the world around us.
