

Oxenhope Church of England Primary School

16 December 2019

Dear Parents/Carers,

As I'm sure you're aware from your excited children, this year we are taking part in the Linking Project. This is a programme which originated in Bradford but is now happening all over our country. It gives children the opportunity to meet with children from a different school who may live differently to them. Our link school is St Clare's in Fagley. Myself and the lead teacher from St Clare's have attended a training session and are communicating well to plan an exciting year for our respective classes.

The children have been paired with a child from the other school and we've already sent work and letters to them. We're loving receiving the same work from our partners too.

Over the year, we will meet up 3 times so the children can meet each other in person and work together on various projects. The first of these visits is at a neutral venue. Ours is Cartwright Hall. The visit will take place on Thursday 9th January. It is free of charge as we receive some funding for taking part in the project but the children will need a packed lunch on that day. We will travel by coach which will leave school at 9:15. The workshops finish at 2:30 when we will get back on the coach and return to school. It is likely we will be back at school a little late on that day depending on the traffic. My prediction would be 3:30 but your patience and understanding would be appreciated on the day.

Please fill in the consent slip and return it to school as soon as possible but by Friday 20th December at the latest. If you have any questions or queries, please don't hesitate to ask.

Miss Auty.

I give permission for my child(ren) _____ to attend the Linking Project visit to Cartwright Hall on Thursday 9th January.

I am aware my child may return to school a little later than normal and know I need to provide a packed lunch for him/her/them on the day.

Signed _____
