

# Oxenhope C E Primary School Worship Team

We have a thriving Worship Council in school who work closely with Mrs Brown to develop all aspects of our school's work as a Church of England school. The Worship Council have a number of key tasks to complete, which includes regularly planning and leading Collective Worship (both in school and in church) and Reflection times for the whole school, reviewing and evaluating Collective Worship and the impact of worship on learners and reviewing the impact of the school's vision and values. They give out special Worship Team tokens if anyone else completes an evaluation form.

They also take care of our outdoor worship area in the quiet pod at lunch time. This involves setting out the cushions, drapes, wind chimes, craft activities and books. They take it in turns to set out and put away each day.

As we have a Reflection area in each class room it is the job of the worship leader to ensure they are used and kept tidy and that collective worship evaluations take place.

You have to apply to be part of our Worship Team so if you're interested, please ask for an application form which you can fill out.
