family

8<sup>th</sup> May 2020

Dear parents and carers,

As you will be aware there is due to be a government announcement on Sunday regarding Lockdown and the possibility of when and how schools will return.

As you can imagine the reintegration of children and staff into school will be a big logistical job depending on what the Government Guidelines tell us.

On Monday, there will be a meeting of the BDAT Primary Heads and we will be looking at how best to ensure the safety and wellbeing of the children, and deciding how we are going to make reintegration work for whole families. I will be creating a robust bespoke action plan for our school and this will pay particular attention to social distancing, PPE, safeguarding, special educational needs, vulnerable children, mental health, education and staff rotas.

We are predicting (although obviously yet to be confirmed) that we may start this process on the 1<sup>st</sup> of June this means that we have the rest of May to get this right. Please be assured that as soon as we have a plan in place we will pass this information on to you. We understand that you may have questions after the announcement on Sunday but I ask for your patience and understanding next week so that we can work hard on getting this right. I am hoping to get the plan to you all by Friday 15<sup>th</sup> at the latest and then of course we will listen to your queries if you have any.

SMILE Club will be running as usual over the following weeks.

Please rest assured that my priority is to make this work for families as much as I can. Obviously, there will be government guidelines which I will have to comply with, but I want to make this reintegration as easy and as stress free as possible for everyone.

Thank you again for your kind messages of support.

Yours sincerely

Mrs Jones
