family

12<sup>th</sup> May 2020

Dear parents and carers,

I will be spending another day planning and moving our situation forward the best I can I am hoping there will be some more movement by the end of the week.

It is entirely possible that school staff will be asked to wear face-masks upon return in June. Please start to talk to your children about this as it will be very different for them. Below is a link to a story, which is aimed at Autistic children however I would encourage you to use it with ALL children of a primary age. It is extremely clear and straightforward.

We already have masks available to use, should we are asked to, as Mrs Parker has made all staff washable ones.

<https://www.autismlittlelearners.com/2020/04/seeing-people-wearing-masks-story.html>

By the middle of next week, we will pop printable versions of pictures of staff members in their mask on our website. This is so that the children can see us, get used to the patterns of teachers and support staff's masks and what they will look like. Feel free to print this off and refer to it.

Preparing children is key here.

Thank you

Mrs Jones
