

# HORKINSTONE CLASS

## WELCOME TO YEAR 2!

**Mrs Brown**

**Teacher on Monday,  
Wednesday, Thursday  
and Friday**

Hi everyone. My name is Mrs Brown and I'm going to be your class teacher in September. Our class is called Horkinstone which used to be one of the hamlets which make up Oxenhope. We will find out more about it in September.

I can't wait to have you in my class next year! We are going to learn so much and have a lot of fun on the way. I love getting you to think for yourselves and develop a real love for learning. I'm looking forward to spending time with you all so I can get to know you and you can get to know me too.

**Mrs Hopkinson**

**Support on Monday,  
Tuesday and  
Wednesday pm**

### Logistics

There is not much change from year 1. We will still be using the same door, toilets and cloakroom as before.

Homework needs to be handed in on Thursday, when the spelling test will be, and will be given back out on the Friday. Please bring your reading books to school every day. PE and library will both be on a Tuesday.

### Mental health

I know it might be a bit scary thinking about coming back to school and what that might look like but try not to worry. My first priority is that you're happy and enjoy coming to school. Everyone is special and unique and I will be looking at each child individually and filling the gaps, meeting each child where they're at. We're all at different stages of our journey and we'll face it together as a team.

What will we learn about?

- Oxenhope mills/ factories. We will be looking at life in the local mills and what it was like to be a child in Victorian times.
- Christmas—Our book will be The Polar Express and we will be thinking about how different cultures celebrate Christmas.
- Space—We will be learning about Mars and the Mars Rover. We will also be thinking about what plants need to grow.
- Seaside / Pirates— Hopefully we will be going to Blackpool and learning about sea creatures and the environment.
- 3 Lions on the Shirt—We will be looking at British values, the Olympics and different sporting events which take place.

**Mrs Fuller**

**Teacher— all day  
Tuesday**

It's so much fun in Year 2 and even though you have to do lots of work, it's really good. Paige

We had lots of fun on our school trip to the Industrial Museum. I'll always remember that day. Huey
