

WELCOME

to year 4!

Miss Auty will be your teacher.

Hi, I'm Miss Auty and I can't wait to have you in my class. I have been a teacher for 16 years and I really love my job! My favourite things to teach are English and Art. I enjoy how each day at school is different and I really like seeing you make progress in your learning over the year. I also feel very lucky to be able to be with classes of great children every day.

When I'm not at work, I like to perform in plays and musicals. I also go to Church and am involved with coffee mornings and events there.

Miss Dawson will work in our class every Monday, Wednesday and Friday.

I have really enjoyed year 4 . Miss Auty is kind and considerate and always helps and wants you to do your best . We have done lots of fun and exciting learning and my favourite activity was when we did the moving words. We had lots of fun . Jayden

I love Year 4 because we do challenging work but it gets me going and Miss Auty is a lovely teacher. She is kind and always tells us to do our best and helps us when we're stuck. Year 4 is the best and all the work we do is awesome. You will love it! Fern.

I've enjoyed Year 4 because we've done lots of exciting things. You will learn all sorts and do lots of different lessons. It is fun. Connor.

YEAR 4 BEST BITS! In year 4, we'll do all sorts of really exciting learning. We will read some brilliant books in our English lessons and will learn loads of different things in Maths. There are lots of opportunities to do Art so you will experience using a variety of media and will develop new skills. If you like Science, you will love our electricity work where you can experiment with wires, lights, buzzers and motors. We get stuck in to some great History in our 1066 topic and will learn about geographical features and continents in our Geography work. The highlight of Year 4, however, has to be our amazing residential to Ingleborough Hall. You will have a great time.

We will be called Marsh Class. You will use the same entrance and exit at the beginning and the end of the day as you did in Year 3. We will also use this entrance at playtime. Your cloakroom will be the same but you will have a new peg.

You will have PE, spellings, times tables, homework and library each week too but I don't know what day this will be just yet.

At Oxenhope, you are very special! Your feelings are really important to everyone in your school. As well as your learning, one of my most important jobs is to make sure you are safe and happy. We will do lots of work about this and everyone in your class will learn how help you keep safe and happy too. The most important thing you need to know is that you can talk to me about ANYTHING! I can't wait to see you!
