

3.7.20

Dear parents and carers,

As you will now be aware we are opening for all children from September and we are really looking forward to seeing them all back.

However, I am aware that for some children it will mean that they won't have been in school since March and the thought of returning in September might be quite daunting.

Therefore, I am offering the chance, for children who have not accessed school since March, to come into school for a look around on Thursday 3<sup>rd</sup> of September. This will be a chance for your child to be reminded of the school building look at their new classroom and hopefully this will stop them feeling as nervous.

We will run this through an appointment system and you will be able to come with your child but we ask that only one parent or carer (this can be a family friend or another relative) attends.

If your child hasn't accessed school **at all** since March and you think they would benefit from coming to look at the school before they return in September please complete the slip below and we will contact you with an appointment time for the 3<sup>rd</sup> of September.

Your sincerely

Alice Jones

Headteacher
