

Week Beginning: 13/07/20

This week is our last week in Reception class and we will be spending it doing lots of discussion about what is next.

Monday:

We will read the story of the cautious caterpillar. We will encourage the children to talk about how Cody the Caterpillar feels throughout the story. What was Cody worried about? How did she overcome her worries? How did she feel at the end of the story?

Activity:

Spreading my wings activity sheet

Encourage children to talk about who their friends are, what they enjoy learning, what they are good at and what they would like to get even better at in year 1. Children could discuss their ideas first and then, draw or write into the boxes on the activity sheet.

Tuesday

Have a circle time based on the story. Talk about how Cody felt throughout the story – how she went from being worried/cautious about changing into a butterfly to feeling brave and excited. Remind the children that by talking to her friends, Cody found a way to be brave and change into a butterfly. Pass a toy around a circle and encourage the children to say how they are feeling about changing class. Are they excited? Worried? What are they looking forward to doing in year 1? Encourage the children to share their thoughts and feelings and discuss ways of overcoming any worries they may have, such as visiting their year 1 classroom and meeting their new teacher.

Activity:

Spreading my wings activity sheet

Encourage children to talk about who their friends are, what they enjoy learning, what they are good at and what they would like to get even better at in year 1. Children could discuss their ideas first and then, draw or write into the boxes on the activity sheet.

Other activities you could do at home:

- Eyfs summer themed end of year activity booklet
- Eyfs for my new teacher transition booklet
- Eyfs summer themed maths activities
- My wish for year 1

Have a lovely week and enjoy the sun!

Miss Simpson and I will be doing home visits this week to drop an end of year gift at your houses on Tuesday and Wednesday after school, so keep you eyes peeled!
