

Ideas for homework - Year 5 Autumn 2

- * Paint a wintery picture featuring a robin
- * What makes the Christmas holidays special? Who do you look forward to seeing and why?
- * What is your favourite bird? - Create a project about it
- * Make a bird house - what materials will you use? (e.g. sticks, gingerbread)
- * Make a festive wreath to hang on your door at Christmas. Make it robin themed
- * Make a robin themed Christmas card and write a kind message/poem in. Send it to someone you love
- * Take a photo of the place you love the most near where you live. Can you describe this place?
- * Make bird feeders at home
- * Go bird watching - What birds did you see?
- * Count how many birds come into your garden - how can you represent the data? Investigate if this varies depending on the day/weather?
- * Go on a wintery walk. Gather together some natural bits and pieces to create a collage
- * Make a presentation about Christmas celebrations in another country
- * Discover an animal which hibernates - tell me about it!
- * Write a newspaper article about the journey of the robin
