

Reverse Advent Calendar

There are many people that are finding things hard at the moment. Let's do what we can to help those around us that are struggling financially and need support. Worth Valley Food Bank have come up with a fabulous idea of doing a reverse advent calendar outlining what provisions to bring on each day. There will be a box outside the main entrance which you can put the provisions in. If you would like to donate, you can use the guide to see what items would be useful and when to bring them. This is just a guide and if you want to bring different things on different days, that's fine too. Please don't bring any perishables though. I'm sure all donations will be gratefully received. Thank you.

NOV/DEC 20

MON	TUE	WED	THU	FRI	SAT	SUN
