Dear parents and carers,

Unfortunately, this year we cannot have a nativity performance where we invite you into school.

Therefore, our plan is that Reception, Year 1 and Year 2 are going to do individual nativity plays and we are going to take a combination of still photographs and short video clips.

These will be uploaded onto the school website for you to view.

Although we already have your media consents, as this is unusual circumstances we would like to ask for permission to film/photograph the children doing their nativity play in this way. We have devised three options for you to choose from for your child:

1. You give permission for your child to be in the nativity knowing that these photos/videos will be on the school website.
2. You give your permission for your child to be in the nativity, however you would rather they wear a mask (appropriate to the character they are playing) so that they can't be identified by anyone but your family (and you are happy for these photos/videos to be on the school website).
3. You don't give permission for your child to be in the photos/videos and you understand that although they will have a part in the nativity, they will not take part when the photos/videos are being taken.

Please complete the slip below and return to school either in person or to the school office – office@oxenhope.bradford.sch.uk (please do not click reply to this email – it doesn't include attachments).
