Dear parents and carers,

I am becoming more and more aware of the pressures you are all under at the moment. Please be reassured that this is normal and totally understandable under the current climate.

Myself and the staff are all working hard to ensure your children have a lovely, fun time at school and they are all doing really well and enjoying learning so please take this as you are all doing a good job

Covid is affecting everyone in different ways and it is adding pressure to working lives and home lives. What I want you to know is that we are here if you need someone to talk to. We understand that things which may usually not hit your radar are suddenly feeling bigger and therefore we encourage you to talk to us and this in my experience makes things feel so much better.

We are feeling the covid pressure as well – we have our own anxieties and families and we are saddened by some of the changes that we are having to put in place such as changes with nativities etc. Please work with us and we will work hard to ensure the run up to Christmas is enjoyable for everyone.

You are not alone if you are struggling please feel free to contact the helplines detailed below.

Please remember you are doing an amazing job and be kind to each other.
