Home learning

(Remote/online learning)

11 January 2021

Dear parents and carers,

Thank you for all your kind comments regarding home learning and the quality of the work sent out. The teachers and support staff are working tirelessly to ensure that we move quickly and that you children get what they need under the current circumstances.

We are receiving more information as we move through this process and the government guidelines and expectations are moving even as I write this letter.

On Wednesday I will be sending out a guide to you all explaining how home learning at Oxenhope will work. Please I am asking once again for your patience and understanding. I don't want to tell you one thing and then have to change things two minutes later.

New work is being produced all the time and it is so lovely to hear that so many of our children are doing well. I am also aware that some families are struggling and as I read the guidance this is always in my mind as I have personal experience of trying to work and teach my child at school with mixed results.

Please trust us to get this right for your family.

If you need more work, are struggling, need tips and hints please contact the below members of staff and they will help you – **contact both people, even if they are not normally your child's class teacher and one will get back to you ASAP .**

Thank you and I will contact you all again on Wednesday the 13th
