

Year 2 - Week 4 Planning

Hi everyone.

Thank you for all the work you've sent through over the past few weeks. It's so great to see what the children have been up to. Another big thank you for transitioning to Seesaw so well. I'm sure as we all get a bit more used to it, it will become easier.

This week I have recorded some *****VIDEO LESSONS*****. I have highlighted below which lessons they are so you can keep a look at for them. These will not be found on the website, but I'll upload them onto Seesaw the night before so you'll have them when you need them. I have If you are struggling to log on to Seesaw then please email me and I'll try and sort any problems out.

I thought it might be helpful if you had a suggested timetable so the children could break down their lessons into daily chunks. It's also easier for the parents as it increases independence.

	Activity 1	Break and snack	Activity 2	Lunch	Quite reading / Guided Reading/ colouring time	Activity 3
Monday	Maths / Mathletics / TTRockstars		Writing activity and spelling practice			Art
Tuesday	Maths / Mathletics / TTRockstars		Writing activity and spelling practice			RE
Wednesday	Maths / Mathletics / TTRockstars		Writing activity and spelling practice			Science
Thursday	Maths / Mathletics / TTRockstars		Writing activity and spelling practice			Topic
Friday	Maths / Mathletics / TTRockstars		Writing activity and spelling practice			Outdoor fun

Writing

Monday Create a travel brochure of Egypt. Where can I visit? Where could I sleep / eat? ***VIDEO LESSON***	Tuesday Continue with the travel brochure	Wednesday Create a Wish You Were Here style vide ***VIDEO LESSON***
---	--	--

Thursday Baking – write instructions on how to make a pastry Mummy. ***VIDEO LESSON***	Friday GPS Friday – Conjunctions ***VIDEO LESSON***
---	--

Maths – See attached teaching slides and worksheets.

Also please spend some time doing Mathletics, TT Rockstars and Numbots. Email me if you don't have logins.

Monday 5 times tables ***VIDEO LESSON INTRO***	Tuesday 10 times tables	Wednesday Make equal groups – sharing ***VIDEO LESSON***	Thursday Sharing	Friday Make equal groups – grouping ***VIDEO LESSON***
---	----------------------------	---	---------------------	---

If you want to challenge yourself – go on this website and try these problem-solving activities. <https://nrich.maths.org/10334>

Reading activities

Can you write or video a book review about your favourite book? Which would you recommend?
Why? ***** SEE MRS BROWN'S BOOK RECOMMENDATION*****

Can you take a funny picture of you reading in an unusual place?

Reading continued

Non fiction – Amazing Antarctica reading comprehension

Mindfulness colouring bookmark

Please continue using Oxford Owl. Also remember the Read, Write Inc daily phonics lesson or Mr Thorne is also good (you can just google him)

Topic

Watch the Horrible Histories song which explain what goes in canopic jars.

https://www.youtube.com/results?sp=mAEB&search_query=horrible+histories+mummy+song

Can you make a PowerPoint, booklet or poster about the process of mummification and why they did it. What was special about the canopic jars?

You can use the PowerPoint to help you if you wish. There is also a matching activity if you want to challenge yourself.

Science

Which material is the stretchiest?

Go to the following website and do the start quiz. Then watch the video and do the worksheet. Try the quiz at the end to see how much you've learned.

<https://classroom.thenational.academy/lessons/which-material-is-the-stretchiest-c9jp8e>

Art / DT

Make your own canopic jars. You can use playdough, clay, plasticine, empty toilet/kitchen rolls, pringle tubes – whatever you can find. Instead of putting livers and brains inside, you can store your precious things.

If you're using clay or playdough you could use either of the methods below.

I can't wait to see your end results!

OUTDOOR FUN!

Spend time on your bike or scooter outside. Can you make up a ball game? Can you make up your own dance routine? Why don't you design a den or a bug hotel in your garden. See if you can make a big or small picture using natural objects. Take a picture/video and upload it onto Seesaw.

RE

Watch the parable of the Good Samaritan. Then do the word search (sorry about the American spelling of neighbour)

<https://www.bbc.co.uk/bitesize/clips/zcyr87h>

Spelling

Week 4

Adding -ing, -ed, -er, -est and -y to words of one syllable ending in a single consonant after a single vowel

patting

patted

humming

hummed

dropping

dropped

sadder

saddest

runner

runny

Year 1 and 2 Common Exception Words

Year 1

the	they	one
a	be	once
do	he	ask
