Hello Year 3!

I hope you had a wonderful Christmas with your families and made some amazing memories.

Unfortunately, we are back in a lockdown meaning that most of us cannot come to school. However, we need to remember that it is keep ourselves and our families extremely safe. I know some of you will be feeling nervous and scared and it is fine to feel this way, make sure you talk to an adult you trust about these feelings and it can often make you feel better. Continue with your Friday reflections and share these with an adult (or me on e-mail) to give yourself time to think about the positive and nice things you have done in the week. Keep trying your hardest with your learning while you are at home! We are learning all about the Ancient Greeks and it is one of my favourite topics so I am really excited to see some of your work.

- Parents/carers, please note I am available on my work email misshargreaves@oxenhope.bradford.sch.uk during school hours and will respond back to any questions or work that is sent to me in this time. I am not on school site during this time. It is going to be a tough few weeks and many children will not want to do or complete work, I would recommend little and often pieces of work with any child struggling (times tables, addition, subtraction, spellings, phonics, handwriting). Creative work, walks, colouring, lego building are all part of learning and will help them cope with the uncertainty of the next few weeks. You all will do an amazing job, whatever you do with your child/ren. Please don't put too much pressure on yourself! I am only an email away if you need anything.
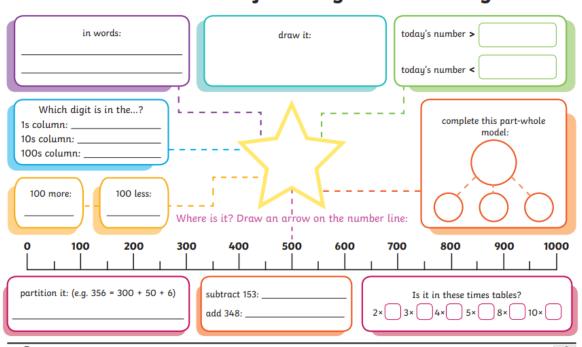

Stay safe!

Love, Miss Hargreaves ☺

Year 3
Miss Hargreaves
Week 1
Maths activities:

For this week you can use the below sheets, Mathletics and TT Rockstars.

Task 1 – Answer the following times table questions.

1) $2 \times 5 =$
2) $5 \times 10 =$
3) $0 \times 9 =$
4) $3 \times 4 =$
5) $3 \times 40 =$
6) $20 \times 4 =$
7) $10 \times 10 =$
8) $80 \times 5 =$
9) $100 \times 5 =$
10) $3 \times 50 =$
11) $6 \times 70 =$

Task 2 - Using each digit card, which numbers can you make?

3 9 1

Use the place value grid to help.

Hundreds	Tens	Ones
1	9	2

Spring Challenge 1

Task 5 – Round the following:

Number	Nearest 10	Nearest 100
13	10	0
87		
234		
578		
695		
921		

Challenge Noggle

5	100	40
8	10	20
2	4	10

How many ways can you make 80?

Task 3 – Complete the table, multiplying the number by 10, then 100.

Number	X 10	X 100
4	40	400
8		
12		
	340	
29		
		1,200
3.4	34	
9.6		

Task 4 – Work out the total perimeter of this shape _____

Roll a dice to create a 2-digit or 3-digit number for this sheet or ask an adult to give you a number.

Year 3 Number of the Day Maths Fluency

in words:
_____
_____

draw it:

today's number > [____]

today's number < [____]

Which digit is in the...?
1s column: _____
10s column: _____
100s column: _____

complete this part-whole model:

100 more:
_____

100 less:
_____

Where is it? Draw an arrow on the number line:

0   100   200   300   400   500   600   700   800   900   1000

partition it: (e.g. 356 = 300 + 50 + 6)
_____

subtract 153: _____
add 348: _____

Is it in these times tables?
$2\times$ [ ] $3\times$ [ ] $4\times$ [ ] $5\times$ [ ] $8\times$ [ ] $10\times$ [ ]

Year 3 Autumn 2 Maths Activity Mat 1

Section 1
A flower bed has 56 yellow flowers and 34 red flowers. How many flowers are there altogether?

Section 2
☐ × 10 = 60

☐ × 5 = 25

Section 3
Halve these numbers:

24 → ☐

20 → ☐

18 → ☐

Section 4
If the perimeter of this shape is 12cm, what is the length of one side?

Section 5
How many 4s make 20?

What is 5 times 6?

Section 6
The time is half past 4 in the afternoon. Write this using am or pm.

Section 7
There are 22 slices of bread in one loaf. How many slices are there in 3 loaves?

Section 8
Use the column method to work this out:

54 x 2

English:

Using this picture, can you plan and write a short story? Do this over a few days to ensure that the work is of good quality. Remember, to include different punctuation marks, interesting adjectives and time conjunctions.

Topic – do some research on The Ancient Greeks. Create a colourful poster on this. You can include as much information you like. You may want to look at different Greek gods, the mythical creatures, the Olympics and what Greece looks like!
