bdot
family

01.02.2021

Dear parents and carers,

We are coming to the end of a very challenging half term and are about to enter another.

This letter is about how the school will be running after the February half term holidays.

If your child has been accessing school since January, **your requirements will automatically transfer over. You do not need to resubmit your requirements.** Again, I am pleading with you to think **carefully** about what you need and **only use school as a last resort.** We have many families who are asking for places and if we can offer them even one day a week they would be grateful. We are trying to cap our numbers off at 67 children per day in school as this is the 33% trigger attendance point for the Trust. **They believe that anything above this percentage breaches the health and safety guidelines given by the government.** If numbers do not reduce the Trust may close school further to ensure health and safety can occur.

Please can I ask you to take some time and review your needs as a family regarding school. You can still use support bubbles and if you are at home and it is possible, please have your child at home with you. Doing this will free up some days for other children allowing them the chance to see their friends and teachers.

If you need to change your requirements please contact the office as soon as possible we will be extremely grateful for any days you can give.

We will also be opening Explorers after the holidays and if you need this provision please complete the requirements form attached. Please be aware that if numbers are low we may decide not to open. We are also asking you to choose a fixed collection time so that we can get staff home early if possible to lessen their chances of being in contact with the virus.

After the holidays, we have two more weeks until another government review where a staggered entry for certain year groups could begin. Please think about your community, teachers and your family when making your decisions. Together we can get through both safely and healthily.

Yours sincerely

Mrs Jones
