

Sawood class - Year 3

Spring 2

March 2021

Welcome back! I am so excited to have you all in school again!

**Oxenhope C of E
Primary School**

Our topic for the remainder of this half term is **Volcanoes!** We will be learning about how they form, writing poems about them, creating our own volcanoes and watching them erupt!

If you have any questions or queries, please don't hesitate to send me an email at misshargreaves@oxenhope.bradford.sch.uk or send a message on Class Dojo. I am also available most days after school if you would like a brief chat.

English

In English we will be recapping a variety of grammar and punctuation techniques, along with the construction of sentences. We will be exploring poetry and historical recounts from Pompeii.

Maths

This half term we are continuing to look at measurement and recapping some of the fundamental math skills for Year 3.

Outdoor learning/PE

We will be doing outdoor learning/PE every Thursday/Friday (whatever the weather) so please ensure your child comes in warm clothes, a waterproof coat and suitable shoes. Please send your child to school in their outdoor PE kit on a Friday. It would also be really helpful if they could bring a bag and a spare pair of shoes for when we return inside after our outdoor learning sessions.

Water/Snacks

Bring fresh water bottles to school daily (please ensure this is water, not juice). Children are encouraged to bring a healthy snack for morning break. Our mornings are quite long so this should help boost concentration until lunch time.

Homework

A list of homework choices for our topic will be sent on both Dojo and on paper. Please choose one of these to have a go at each week and send in through Dojo or return to class by Wednesday. There will also be Mathletics/TT Rockstar tasks available each week.

Covid Symptoms

If your child is experiencing any of the Covid symptoms (a temperature or a new cough) please refer to the school flow chart.

Assessment week:

Assessment week will take place across next week and the following week. This is nothing for the children to worry about and I will be speaking to them in class about this and ensuring they feel comfortable and confident with this.

Don't forget to check the school website each Friday for our Celebration Assembly!

Year 3 at a glance - Spring 2!

In addition to the core subjects in a morning, here is an insight into the lessons we will be doing each afternoon and information about anything extra you may need.

Monday	Topic - This could be a range of subjects including science, oracy, history, geography, Spanish art or DT.
Tuesday	Topic - This could be a range of subjects including science, oracy, history, geography, Spanish art or DT.
Wednesday	R.E and PHSCE
Thursday	Outdoor learning - please make sure your child has appropriate clothing and footwear.
Friday	PE - Please wear your PE kit to school. Remember, we will usually be outside so wear suitable shoes and something warm.
