

We are delighted to announce that Friends of Oxenhope has received a donation of **£777.17** thanks to local Co-op members and the Local Community Fund.

We are now half-way through our time as a chosen Local Co-op cause. We are planning on spending the money we receive from the Co-op on the school nature area to improve facilities for the school and the local community.

Can you help us boost this total for the final 6 months of being a Co-op good cause?

Here's what you can do:

1. Become a member of the Co-op (if you're not already!) Rewards for you and your community. For every £1 you spend on selected Co-op products and services, 2p goes into your membership account and the same amount to support community organisations and local causes.
2. Nominate a cause - once you are a member you need to select a local cause to support through your membership, we're asking you to select Oxenhope School Community Nature Area Improvements.
3. Whenever you shop in the Co-op we will benefit, it doesn't matter which store you shop at as long as you've selected us as your cause.

A **HUGE** thank you to everybody who has already supported Friends of Oxenhope so far this year whether it is buying raffle tickets, donating a prize or giving up your time to help with an event. We really do appreciate your support.
