

8th July 2021

Dear parents and carers,

To celebrate the England team reaching the finals we will be having a mini-celebration tomorrow in school where the children will take part in England themed activities. Your children can come wearing an **England football shirt, red and white and/or England merchandise**, they can also have their face painted if they would like (although not Year 5 as they will be swimming tomorrow!)

If your child is isolating it would be lovely to see them joining in at home; why not record them singing an England song or recreating a goal in the garden, baking England theme buns, or creating a fact file about the team. Send photographs and work to either class dojo or seesaw and we'll pop some on the website and Facebook.

Reception class will have a football celebration next week and Mrs Fitzgerald will send out more information about this via seesaw – so they won't miss out!

Apparently, I am reliably informed – **It's Coming Home!**

Your sincerely

Mrs Jones
