**My Family**

**Message for Parents, Carers and Children**

I have been teaching at Oxenhope for over 2 years now. I love working here and enjoy getting to know you all! I have taught in Reception and I have moved up with my class into Year 1. I lead Early Reading and Writing at Oxenhope and I am responsible for ensuring our phonics teaching is good. I will also be working at BDAT (our school trust) next year, as a Curriculum lead for Early Reading and Phonics, which I am really excited about.
