Spending time with my family, going to the caravan, gardening and being outdoors!

### My Family

I live with my husband Paul and my two girls called Olivia and Alanna.

I am really lucky to have six chickens that live in my garden!

### Message for Parents, Carers and Children

I have been at Oxenhope for 2 years now, however I have worked with children for 16 years. I am so passionate about Early Years and really enjoy working in the Reception class. My favourite area is the outdoor area. I feel it is so important for children to learn and play outside! I enjoy working with the families and children at Oxenhope and providing a warm nurturing environment for every child.
