Hobbies

I enjoy playing both football and golf. I also enjoy going on walks in the countryside. I do enjoy playing a video game when I have time.

My Family

Family is extremely important to me. In my immediate family I have a mum, dad, step-dad, step-mum, brother and sister. I also have a family pet called Bertie, who is a Basset hound.

Message for Parents, Carers and Children

Hello, I am so grateful that I am going to be teaching year 6 once again. This will be my fourth year teaching this wonderful age group. I enjoy the challenge of teaching the oldest pupils in school and take great pride in seeing them progress in their learning. I am honoured to be the teacher that gets to prepare them for their journey into secondary school.
