Hobbies

I enjoy the theatre. I like to visit the theatre but especially enjoy performing in plays and musicals. I also like walking, eating out and going on holiday.

My Family

I live by myself which I really like. My mum and dad live close by and I like spending time with them. I also have a cousin and an Auntie who I am close to. My cousin has a little girl. She's my God-daughter and I love her lots.

Message for Parents, Carers and Children

Dear Parent/Carers,

I'm really looking forward to beginning my 18th year of teaching in September and am thrilled to be having your child in my class. I'm excited to get to know you better and to build up an effective working partnership to best benefit your child.

Dear children,

I can't wait until September when you're going to be in my class. We are going to have so much fun together and learn lots of great things.
