

Headteacher's News

A message from Mrs Jones

Happy Friday! We have had a great week this week getting back to a more normal way of being. We have been for our first visit to church for our Harvest Festival and been able to welcome parents back into school for our coffee morning for Reception parents and our celebration assemblies. It's great to see our community together again.

Helping the Community

I have been really proud of our children this week in their efforts to help our community. Firstly we have been collecting food during our Harvest time for the Worth Valley Food Bank and we have been overwhelmed by the generosity of families at Oxenhope. Also this week year 6 have been up to our Nature Area to clear rubbish that has been left there so that it is a safe and clean space to learn. We are passionate at Oxenhope to build community pride in our children. This is a big focus for us this year.

McMillian Coffee Morning

Next Friday we will be hosting our Annual McMillian Coffee morning.

This will be a school wide event with children and parents being able to buy cakes, biscuits, buns and other treats.

In order for this to be a success we not only need people to buy, we also need donations. Please send any donations in by Thursday the 23rd with your child. You don't have to bake you can bring bought items.

The children will be able to buy things during their playtime so they can bring a donation on Friday the 24th. There will also be a cake stall after school.

We are also opening the hall for a parent's and carers coffee morning with Mrs Jones and Miss Smales at 9.30 -10.30

Come along donate to charity and meet new people **EVERYONE IS WELCOME!**

BDAT News

This week we had visits from Craig Lee (Director of Primary) and Reem Briggs (Assistant Director of Primary). They came into school to speak to Mrs Jones, staff and children. They were very happy about the progress the school was making and what had been put in place during Covid.

They loved being back in school and seeing the children.

Naming Property

I know I can sound like a broken record with this message however it is really important for you to name your children's things. Excess lost property can be a health and safety issue such as a fire hazard and it can cause trips and falls. Also children can become anxious and upset when they lose their property. Please ensure you are putting their names into all items. We always return found items to children when names are visible. Unfortunately, without a name they cannot be returned and items are then sent to charity or put in the spares at school.
