

Year 2—Rashford Class

We'd just like to take this opportunity to say welcome and thank you for making this first week back so enjoyable. You've been really patient with us as we've been getting used to new systems and routines. Please, don't hesitate to ask about anything you're unsure about. Please do this via Seesaw and we will respond to you as soon as we can.

Wild Weather

Our focus, this half term, will be on different types of wild weather and how that compares with weather in Oxenhope. We will be thinking about our environment and how we can look after the world around us. In maths we will be looking at place value and what a number is worth.

Key things to remember this half term:

Staffing

Monday, Tuesday Wednesday will be Mrs Fuller and Mrs Duckworth (and Mrs Hopkinson on Wednesday afternoon) and Thursday and Friday will be Mrs Brown and Mrs Duckworth

PE

We have 2 PE sessions this year. PE day is on MONDAY AND THURSDAY. The children are to come to school in their PE kits on both days.

Outdoor Learning

We will be going outside on TUESDAY afternoon so please make sure they have appropriate footwear and a waterproof coat.

Reading and homework

Every Friday the children will bring home a book in a plastic wallet, along with their homework book (homework will start next Friday). Please bring this back by Thursday so we can hand them out again on Friday with a new book and new spellings. The topic homework will also be put on Seesaw so please feel free to upload the homework there also and we can share the pictures with the rest of the class.

Water bottles

Please bring a clean and fresh water bottle each day.
