

## A message from Mrs Jones

It has been another lovely week in school with lots of busy things going on.

The school made me so proud during our Remembrance Assembly showing respect and a mature understanding.

Teachers are working really hard refining the curriculum reviewing and developing medium term planning. We will be able to publish these documents before Christmas.

## Remember

The children have spent a large amount of time this week learning about Remembrance.

They created art work, songs, poems, drama and took part in our Armistice Day assembly.

## School Council

School Council have been spending time planning our Children in Need fundraising. They have been working alongside Miss Lovett planning a special day. Please see the poster below with details.

## **FRIDAY 19TH NOVEMBER.**

Merchandise for sale on Parent Pay

Create a friend for Pudsey. 50p per entry. Prizes for each class!

Guess who's in the Pudsey suit—50p per guess.

Pay £1.00 to wear pyjamas or Pudsey merchandise.

We are supporting Children in Need.

## Assessment Week

Next week will be assessment week for years 1-5 (Y6 will be next week). Your children will take part in some assessments so we can ascertain any gaps in learning. You will get information about this at parent's evening together with targets we have set. If you have any questions, please contact your child's class teacher.

## Anti-Bullying Week

Next week is our anti-bullying week. We will be looking at lots of different aspects of bullying with the children and helping them to realise what bullying is and how they can find help if they need it. Your class teacher will let you know what aspect your child's class will be focusing on over this week. If you have any questions, contact your child's class teacher.
