

# School Council Newsletter– Autumn

This Autumn term has been very exciting for Oxenhope CE Primary School. This term we have been able to start our School Council meetings again! Already the councillors have made a huge impact within our school and in the local Community. In our first meeting the councillors decided they should start by filming a video introducing themselves and telling the school why they are in the council and to explain that they are the **pupil's voice!** We had a lot of fun filming the video! You can find it on our website!

## Remembrance Service

Some of our school council took part in the Remembrance Service at St Mary's Oxenhope. These children were honoured to be involved in such a moving and important service. The children read a powerful verse and did Oxenhope CE Primary proud as they delivered it thoughtfully and clearly. Thank you to Reverend Cat for letting the children have such an important role.

## Children In Need

The school council's hard work paid off as we had an amazing Children In Need day. The school council held a meeting weeks before the big day to discuss what they would like to do. They thought because the theme was 'together we can' they wanted to hold a competition to create a friend for Pudsey. They also decided on the prizes the children would get and that they would pick the winners for each year group! They did a fantastic job and took it very seriously! Some of the council announced the winners in Celebration Assembly. The pupils enjoyed a day in their pyjamas and we had a very special visit from Pudsey himself! What an exciting day it was raising money for Children in Need! Well done to everybody who got involved!

In the next few weeks the school council will discuss some of the pupils' ideas and thoughts and will decide if any changes need to be made within school.. We are also going to focus on how we can help refugees as our councillor Ada Kratz Kidd has some brilliant ideas! Furthermore, next term's newsletter will be written by one of our councillors!
