is 'dance'. We will be learning
a dance to perform in our
concert.

Home Reading Books

Thank you for remembering
to send reading books every
day.
Please ask them lots of
questions about their book to
ensure they understand what
they have read..
There are super activities
inside the front and back
covers of some of our read-
ing books.

Our new topic for this
half-term is:

'CELEBRATIONS'

We will be finding out
about birthdays,
Weddings, new babies
and christenings, Christ-
mas, bonfire night and
Diwali.

Writing

We will be focusing on
writing the sounds we
hear in words.
We should all be able to
now write our names with
the letters in the correct
order.

c-a-t = cat
f-o-x = fox

Maths

We will continue to count
in ones, forwards and
backwards to 10. Your
child may be able to
count further but we aim
to consolidate these num-
bers in many ways.
We need to be able to
read, write and order the
numbers to 10 and say
what is 1 more and 1 less
than a given number.

1 2 3 4 5 6 7 8 9 10

1 more than 5 is ?
1 less than 5 is ?

RE

We are learning about
Chrtianity and the
true meaning of Christmas.
We will be finding out why
Christians perform nativity
plays at Christmas.

Science

We will learning as much
as we can outdoors. We
will learn about seasons
and weather changes.
What can we do to
keep warm?

Arts

We will be drawing,
model making, collage,
painting and sculpture.
We will be learning lots of
exciting songs and acting
out roles.

Homework

The sounds we have learnt
during the week are sent
home each Friday for you
to practice with your child.

Please practice writing let-
ters using the correct for-
mation.

There are also tricky words
that are sent. These are
written in red. These words
cannot be sounded out and
must be learned by sight.
The initial letter sound can
give a clue.

There are words to sound
out and blend. Your child
should now be able to do
this.

If you are celebrating at
home please be sure to tell
us.
