

A message from Mrs Jones

Good morning and I hope that you all had a lovely weekend.

Sadly, I feel we have said goodbye to the best of the weather for the time being.

We have lots of things planned on the run up to the Easter holidays with lots of fun activities and learning planned for our children. Please keep a close eye on correspondence.

Bake Sale Success

Thank you to everyone who helped make the bake sale a success on Friday. We were over whelmed by the generosity of our school community both from the copious amounts of cakes, buns and biscuits and through the money we managed to raise.

We raised a whopping £315.00 and we still have money coming in. Thank you to Freddie Fawcett in year 6 who came up with the idea. All the money raised will go to Christian Aid who will distribute it to help families in crisis due to the war.

Attendance

We have seen quite a significant dip in attendance across school and we are just wanting to remind you that every school day counts. Please encourage your children to come to school every day as they miss vital learning if not. Also we will be spending more time analysing term time holidays and only authorising these

Pupil Premium

We have had a number of conversations with parents about pupil premium funding. We will be in touch after the Easter holidays to discuss provision. If you think you might be eligible for pupil premium, please check through the government

School uniform

Please can you make sure your child is wearing correct uniform at all times, this includes correct shoes and hair accessories. Proper uniform instils a positive mind-set in the children for doing their best. Please make sure hair bobbles and clips are plain and in school colours otherwise they are a distraction. Also names MUST be put in clothes. As the weather gets warmer children shed clothes through the day and we end up with so much lost property. We always return things to children which have their name in

Clubs

When we collated the information from the parent's questionnaire there were lots of comments about extracurricular clubs. We are trying to offer a variety of experiences for children over the year and we would love your children to take part. Unfortunately, if we do not have the uptake or people do not pay we need to cancel it and this can be frustrating for the organiser and the children. If you express an interest, please can you follow this up by booking your child's place this will avoid disappointment.
