

A message from Mrs Jones

Happy Easter everyone! It has been a tiring but fun run up to this year's festivities and the children have learned so much.

The Easter performance was lovely, year 3 and 4 did us proud. We really enjoyed the Easter service at church with our children re-telling the Easter message. We were sorry not to be able to do our Easter family event but we are excited for the Spring Fling in May!

IT Migration – IMPORTANT

As you are all aware we will be following in the footsteps of all the other BDAT schools and transferring our computer system to a cloud based platform. This will be brilliant for our children and staff. In the first week back we will have no access to computers or phones as the migration takes place.

We did ask for this to take place during the Easter break but this was not possible. Our website will feature an emergency contact number for you to call if you need to get a message to staff. Email, Dojo, Seesaw and our normal phone system will not be available.

Please bear with us during this time.

Family Praise

It was lovely to see so many families at our first family praise event. The children and carers had fun singing, crafting and learning all about the Easter story.

Our next Family Praise will be on Thursday the 12th of May at 3.15-4.30. This is a free event, so come along with your children and join in the fun!

Curriculum

We are continuing to work hard with our curriculum developing and growing the children's skills and knowledge. Reem Briggs from BDAT will be working alongside Mrs Brown and Mrs Jones to ensure that we provide the best for our children

Want to know more about Special Educational Needs and the Referral system?

Miss Cooper and Mrs Dyson will be running a parent information coffee morning on 19.5.22 at 9.15-10.30.

This will be an opportunity to find out how and why we refer children and how long the process takes. It is also a chance for you to discuss any concerns

Smoking and Vaping

Our years 5 and 6 children have engaged in a workshop all about healthy choices. We had Juliet Vole from the Life Caravan services in to deliver workshops to support the children in dealing with peer pressure, helping them to know what a healthy lifestyle is and to know the dangers of smoking and vaping. The children asked very sensible questions and took the information on board.
